Principal's Awards

English Language Learners in Year 2 (Frederick Rm18; Fomai Rm 19; Louise Rm 16 and Arveen Rm 16) visited the principal to show him the interactive game that they made. Each learner read their clues to me and I had to guess the creature that was hiding in the box. Well done children!

Student Address and Phone Numbers

Today coming home with the newsletter there will be a form with your child/children's address and phone numbers along with any medical concerns that we know of. It is very important that we have the correct details in case of any emergency that may arise and we need to contact you. Please amend/update any changes that may have occurred if they are not correct and return to school immediately. When students return their form their House will receive 100 reward points.

Technology fees are now due for Term 2. These can be paid by internet, cash or cheque at the school office. If you need any further information please contact the school office.
