## Year 8 - Camp 2010 Newsletter No. 1

The annual Year 8 Camp has been arranged for Monday 29 March to Thursday 1 April, 2010 (Term 1, Week 9) and will be held at the 'Port Waikato Camp School'.

Early next term you will receive further details about the camp. This notice is to give you plenty of advanced warning that the cost of camp will be approx \$130 the actual cost is yet to be finalised. The camp fee covers everything including accommodation, food, equipment hire and instructors fees. It does not include transport to and from the camp as we ask for assistance from parents with car pooling etc.

With the holidays nearly here it may be a good opportunity for your child to earn some money towards his/her camp costs by doing chores for friends and family. Previous experience has shown us that those children who contribute to their camp experience are the ones that get the most out of camp.

Kind regards

Laurie Hodge  
Deputy Principal
