Dear Parents

On Tuesday 9th June most classes are involved in a community project with Waicare, planting the bank of the local stream by Artillery Drive with native trees. If this project is to be successful, we urgently need parents, grandparents, caregivers, in fact any adults who can help would be welcome. This would involve walking with children and helping the children plant at the stream. Please contact your child's teacher urgently if you can help. Unfortunately, we cannot take pre-schoolers on this trip. If we do not get enough help, children will miss this the valuable experience.

### Interviews

Parent Interviews will be held on Tuesday 23rd June from 1.00pm. Forms will come home with this newsletter. Please complete and return to your child's teacher by June 11th.

### Pre-school Visit

The next pre-school visit is next Wednesday 10th June at 9.30am. Please come to the office and Dianne will assist you.

### Lost Shoes

We have a lot of very good shoes in our lost property box. If your child has lost shoes please come and look! Shoes that are not claimed by tomorrow will be given away.
